Nate Myers | Roots, Funk and Blues Originals and Entertainment

Nate Myers has played over a thousand shows and recorded five studio albums in the last seven years. He's opened for international and national touring acts like Cheap Trick, Kansas, Kenny Wayne Sheppard and G. Love, just name a few.

Nate and his band play roots, funk, and blues originals as well as some covers, always with a focus on engaging and entertaining the audience. In fact, Handy nominated blues artist E.G Kight once stated, "Nate is very entertaining and a joy to watch and listen to on stage; he's quite the talent."

Courteous, polite, and easy to work with, Nate and his band provide a professional and entertaining show.

Contact Nate today for your upcoming festival, social event, club date, private party, or studio and film work.
